CELEBRANT / WEDDING PLANNER / MC EXTRAORDINAIRE

PROFILE

Pete's profile is pretty great, for someone of his age. And, he can still bench a fair amount, but finds himself on the "bench" cause he gets into trouble more often than not when bored. Watch out for that.

EXPERIENCE

CELEBRANT / WEDDING PLANNER / MC EXTRAORDINAIRE

Head Honcho - The Wedding Guy Co (2006 - present)

- Super assertive, think on my Feet kinda Guy
- Cool, calm, collected under pressure
- Relaxed, funny, and wicked sense of humor

SKILLS

- Smells great ALL THE TIME
- Showers at least once per day, sometimes twice in the NZ Summer
- Excellent communication/interface (trans: likes to talk)
- Knows what to say, when to say, especially in a "sticky situation". Now, that's a serious skill, especially in a Zombie Apocalypse

FUN FACTS

NO DANCING

I can't dance to save myself, or YOU for that matter. So, best not ask me if you know what good for yourself.

LAUGHTER IS GOOD

I find it best not to take myself too seriously. No one else seems to, so why should I.
